## BONDALL MULTI PURPOSE DEGREASER

REVISED: MARCH 2006

### DESCRIPTION

Bondall Multi Purpose Degreaser is a powerful, ready to use, fast working cleaner. It is a concentrated biodegradable cleaner that removes dirt, grease and oil deposits and most automotive fluids without damaging the surface. Unlike most common degreasers, Bondall Multi Purpose Degreaser is non caustic and non solvent based, making it safer for the environment. It is ideally suited for use on garage floors, driveways or paved areas prior to being sealed with Bondall Paving & Concrete Sealer or Bondall Natural Finish Sealer. Bondall Multi Purpose Degreaser is also useful for general purpose cleaning around the home or workshop.

Bondall Multi Purpose Degreaser is a multi purpose cleaner that can be used to clean outdoor surfaces, toilets and shower recess areas. Use to remove grime, as an engine degreaser, to remove oil and grease from work benches, barbecue greases and oil stains from concrete and paved surfaces.

**TEST AREA:** Always test the product on a small inconspicuous area first to ensure that the product does not react adversely with the surface.

### APPLICATION

- Apply Bondall Multi Purpose Degreaser to the affected area and work vigorously with a stiff brush.
- Leave for 5 – 10 minutes, then wash away with water, but never allow to dry out.
- For heavily soiled surfaces, you may need to repeat application until the stain is removed.
- For light duty and general cleanup, dilute up to five parts with water.
- Any oil spot that have penetrated the surface, may re-surface within 24 hours following cleaning, if so, repeat application until the stain no longer appears.

#### PRECAUTIONS

- May not remove old stains or may leave a shadowing of the stain.
- Avoid unnecessary contact with automotive painted surfaces as it may cause de-waxing.

### COVERAGE

Coverage rate: 4 – 6 square metres per litre depending on porosity and texture of substrate.

### CLEAN UP

Clean up: Clean equipment and spills with cold water.

**NOTE:** When applying Bondall Multi Purpose Degreaser near lawns and gardens, be careful not to splash onto plants. Should this happen, rinse thoroughly with water to neutralize Bondall Multi Purpose Degreaser.

## PRECAUTION/FIRST AID

It is recommended that normal personal protective clothing should be worn, including coveralls, impervious gloves and goggles. Avoid unnecessary inhalation and skin contact (may de-fat hands). If skin contact occurs, remove contaminated clothing and wash skin thoroughly with water for fifteen minutes; and see a doctor if irritation occurs. If swallowed, contact a doctor or the Poison Information Centre on 13 11 26. Give water to drink and do not induce vomiting. If eye contact occurs, hold eye open and wash continuously with water for fifteen minutes and see a doctor. Refer to MSDS for full details.

## DISCLAIMER

The information contained here is given in good faith and is intended to be of assistance to users. The performance of this product is dependant upon its correct preparation, application onto a sound surface and attention to the instructions on the label. The wide variety of surface conditions makes it impossible for the company to assume liability for any loss, consequential or otherwise, arising from the use of this product. Should the product be found defective our liability shall be limited to the replacement of the product only. We reserve the right to amend specifications and application techniques without prior notice.
